Dear Allan

United States Patent Application No 09/546256
Halliburton
Catch: Sampling Skid
IP Title: "Method and Apparatus for Sampling Fluids from a Wellbore"

I refer to the above application.

I have been informed by the client that they are prosecuting this application directly through their head office in America and that their US agents Groover & Associates in Dallas are now responsible for this case. Accordingly, please take no further action in relation to this case.

Please confirm receipt.

Yours sincerely
for Murgitroyd & Company
